

Your Pharmacy, Your Choice

When you choose IntegriScript for your pharmaceutical services, you choose service that goes above and beyond:

- Our own Berkshire Healthcare team of professionals
- Education resources about your medications
- 24-hour access to pharmacists
- Daily delivery services with no service fees
- Direct communication between your professional nursing caregivers and IntegriScript pharmacists.

Dedicated to Your Service

As a dedicated pharmacy, we are better able to serve your needs. We handle our own ordering and billing, which helps us keep costs down and provides safe, accurate and quick service.

Questions?

Ask your nurse or doctor any questions you may have, or contact us directly:

We're Right Where You Need Us

IntegriScript, Berkshire Healthcare's own pharmacy, has the medications you need, right where you live. You can count on us for fast, safe, accurate pharmacy services. **We are right here to help make your stay simple, successful and worry-free.**

Delivering Prescription Benefits

Advantages of choosing IntegriScript for your pharmaceutical needs include:

- 35 IntegriScript employees dedicated solely to our patients and residents
- Fast refills in safe packaging
- 24/7 emergency medications, such as insulin and antibiotics
- Automatic drug-dispensing units for safety and accuracy
- Clinical and pharmacy teams working together to offer specialty medications
- Quick electronic ordering for clinicians
- We manage our own billing, ordering and delivery
- Contracted with over 60 major pharmacy benefit plans, Massachusetts Medicaid, Hospice benefit programs and many managed care networks.

Doing More For You

IntegriScript professionals are onsite, making it easy for you to get the prescriptions you need, quickly and efficiently. Our team is committed to your best health and will order medications, refill prescriptions, check for interactions, and work with your medical team to create the best care plan for you. A dedicated pharmacy team also means we can offer specialty medications that require specific formulation. Let IntegriScript focus on managing your medications so that you can focus on living Berkshire healthy.

Rehabilitation • Nursing • Senior Housing

Part of the Family

IntegriScript is Berkshire Healthcare's own pharmacy, located in West Springfield, Massachusetts. Not open to the public, IntegriScript is proud to exclusively serve Berkshire Healthcare's Massachusetts-based senior living communities, skilled nursing facilities and hospice affiliates.

How Our Affiliation Benefits You

As part of the Berkshire Healthcare family, IntegriScript is able to achieve a higher level of efficiency and cost effectiveness. Consistent communication between clinicians and pharmacists contributes to our high quality of care.
